Chinese Consolidated Benevolent Association of Chicago

LETTER FROM THE PRESIDENT

Dear friends of CCBA,

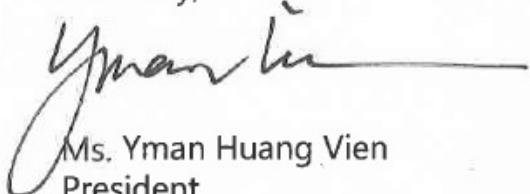

Chinese Consolidated Benevolent Association (CCBA) of Chicago has over 130 years of history since our first establishment. We are a 501 (c)(3) non-profit organization that has thirty Chinese member associations and with a common goal of serving the thousands of Chinese immigrants that call Chicago Chinatown their home.

World Journal, a popular Chinese newspaper, on June 16, 2016, reported, "Chicago Chinatown senior apartments, application waiting list 11 years." Recognizing this critical demand and with a wait list of 400 seniors in need of senior housing, CCBA proposes to build 8 stories, approximately 34,000 sq. ft. Service Center adjacent to the current building with 83 units Senior Apartment Building.

It will be a new home for many seniors and retirees, a new activity center for youths and children, and a new multi service center for cross generations to reserve our heritage and provide opportunities for future leaders. This project has gained overwhelming support from member organizations and the community. In providing a new space for our Chinese community, this project fulfills a mission focused on addressing the most desperate needs of the community. Only with your donation can we turn our common dream into reality; only with your contribution can we make our project a success; only with your love and care can we build our new CCBA Service Center!

We look forward to your support and please don't hesitate to contact us with any questions. Let us make history for this meaningful project!

Cordially,

Ms. Yman Huang Vien
President
